

Dear Parents,

Welcome to SECOND GRADE!! The items listed below are *most* of the stationery supplies your child will need in September. Some items **must** be purchased at school and others may be bought at the store of your choice. A final list will be given on the first day of school in September. **No money is needed for stationery on the first day.**

Please be sure that your child **reads** often this summer. Encourage your child to discuss the books he/she reads. Each child must be ready to take and pass **3** quizzes in September on any book from the assigned list (see attached). **Please continue to review grade one Vocabulary and sight words over the summer for rapid recall.**

Also, please review and maintain addition and subtraction math facts to 14 throughout the summer. **Your child must have an immediate response to these facts.** (The **IXL Math Grade One** level can be used throughout the summer. You can also use **IXL Lang. Arts, Science, or Social Studies for Grade One** for review of first grade skills.)

I am looking forward to seeing you in September. Don't forget to stock up on **clear, colorless, contact paper!** I hope you and your family have a nice summer!!

Sincerely,  
Miss Killion
